

Give and Let Live Campaign

\$20

Will feed a stray or feral cat for 3 weeks

We will make sure your cat doesn't go hungry.

\$50

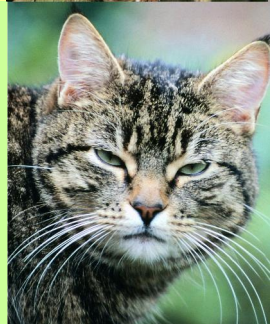

To test and vaccinate 10 stray or feral cats

\$60

To spay or neuter one stray or feral cat.

Trap, neuter and return is the only proven and humane way to control the feral cat population.

Friends of Felines is currently providing food and medical support to over 200 cats placed in colonies throughout the area.

Friends of Felines have spayed or neutered over 100 cats from January thru April 2009.

Yes, I want to help make a difference!
